

E-Verify Case Verification Number: 2013200102956YS

Why you received this email

Your employer participates in E-Verify, a program managed by the U.S. Department of Homeland Security (DHS) and the Social Security Administration (SSA). E-Verify compares the information you gave on Form I-9, Employment Eligibility Verification, with records available to DHS and SSA to verify that you are authorized to work in the United States.

You received this email because your employer referred your E-Verify case to SSA after you decided to contest (take action to resolve) a SSA Tentative Nonconfirmation (SSA TNC). Our records indicate that you have not visited an SSA field office to begin to resolve the SSA TNC.

What you should do

You should visit an SSA field office by **08/05/2013** (MM/DD/YYYY) to begin to resolve the SSA TNC. If you have not received the E-Verify SSA TNC Further Action Notice from your employer, contact your employer immediately to obtain this notice.

The SSA TNC Further Action Notice includes information about your E-Verify case and what documents you need to bring to the SSA field office. You must bring the SSA TNC Further Action Notice when you visit the SSA field office.

If you do not take action **within 8 Federal Government working days, by 08/05/2013** (MM/DD/YYYY), a Final Nonconfirmation will be issued and your employer may terminate your employment. Employers must allow you to contest a SSA TNC and may not take adverse action against you because of the SSA TNC while you are contesting the SSA TNC and your E-Verify case is pending.
