

Wisconsin Driver's License and ID Card Information

Wisconsin joined the Records and Information from DMVs for E-Verify (RIDE) program in November 2015 for driver's licenses and ID cards. When an employee presents a Wisconsin driver's license or ID card as his or her List B document for Form I-9, E-Verify will prompt you to enter the document information and will verify it against Wisconsin records.

- Select "Driver's license" as the document name in E-Verify for any Wisconsin document called a **Driver License, Instruction Permit, Probationary Driver's License, or Commercial Driver License.**
- Select "ID card" as the document name in E-Verify for any Wisconsin document called an **Identification Card.**
- Wisconsin issues horizontal driver's licenses and ID cards for individuals age 21 and over and issues vertical driver's licenses and ID cards for individuals under age 21.
- Wisconsin's licenses and ID cards contain document numbers (circled) that are fourteen characters- one letter followed by thirteen numbers.
- Wisconsin began issuing driver's licenses and ID cards with the current design in October 2015.
- There are three designs of Wisconsin driver's licenses and ID cards currently in circulation.
