### E-Verify Tip
How do I create a case for an employee who provided a SENTRI, NEXUS, or Global Entry card (also known as Trusted Traveler card)?  The  employer should select the employee's correct citizenship or alien status. Next, the employer should indicate that their employee provided 'List B and C Documents' and select 'Continue'.  SENTRI, NEXUS or Global Entry cards are acceptable under List B, #2, as an ID card issued by a federal agency.
